(i) The reinstatement of indefinitely suspended privileges will only be considered by the warden after one calendar year from the date of imposition of the suspension. (12) The Secretary and Deputy Secretary have the authority to review and modify the kiosk and/or tablet privileges associated with any user account, including the use of any or all kiosk services or tablet services, when it is determined that the modification will further an inmate's rehabilitation, ensure consistency with Department's rules, enhance public safety, or ensure the security of a correctional institution.
